

Email Marketing

The screenshot shows a web application for email marketing. On the left is a vertical sidebar with a yellow highlight. It contains a top section with a monkey icon and a 'Campaigns' header with a back arrow. Below this are four menu items: 'All campaigns' (pencil icon), 'Email templates' (two people icon), 'Reports' (megaphone icon, which is highlighted with a blue bar), and a bottom section with icons for a person, a calendar, a document, a grid, and a search icon. At the bottom of the sidebar is a teal 'Upgrade' button. The main content area on the right has a 'Campaigns' header, followed by 'FVA Business Consultancy'. Below this, it says 'Your audience has 3 contacts. 3 of these are subscribers.' There are two tabs: 'List View' (active, underlined) and 'Calendar View'. Below the tabs is a 'View by Status' section with a search bar containing 'Find a campaign by name or type'. Below the search bar is the text 'You can also search by [all audiences](#).' Below this is a section for 'August, 2021 (1)'. It contains a single campaign entry: 'Ways to Find Freelancing Jobs in 2021' with a document icon. To the right of the title is a green 'Sent' badge. To the right of the title are two columns: '66.7% Opens' and '0.0% Clicks'. Below the title is the text 'Regular · FVA Business Consultancy' and 'Sent Sun, August 15th 1:23 AM to 3 recipients by you'. Below the campaign entry is a 'View by Type' section with two options: 'Emails' (envelope icon) and 'Automations' (circular arrow icon).
